Be sure to have your customer Profile Cards, Sales Receipts, LOOK Books, Mirrors and Trays, your product in your kit and others you are demoing, facial cloths, eye applicators, mascara brushes, LOOK card, cotton balls, pens and headbands if desired.

**Highly recommended to add to the products in the Starter Kit:**

**You can add later, order them and use the unused products just to show:**

Microdermabrasion, Serum C+, Toning Lotion, Brush Set, Compact, Eye Primer, Lip gloss- I use Cream and Sugar.

You will want to eventually get the foundations that you do not have in your kit as well
